

BOOK SPREE®

**Receive SunnyD® and Fruit₂O labels and
get FREE books for your classroom!**

Hello Teachers!

If you haven't participated in the SunnyD Book Spree® before, now is the perfect time to start. Since the program began in 2009, the SunnyD Book Spree® has donated over \$6 million in books to classrooms across the country. This year, we expect to give away even more books to schools and classrooms than ever before.

We invite you to get involved by collecting eligible SunnyD® and Fruit₂O UPC labels from your students and submitting them along with the official entry form. We appreciate your participation in this exciting program for schools to earn free books.

Here's how it works in 4 easy steps:

- 1** Teachers send home the SunnyD Book Spree® parent information form with their students.
- 2** Parents collect eligible SunnyD® and Fruit₂O UPC labels and send them to school with their child.
- 3** Teachers collect eligible SunnyD® and Fruit₂O UPCs, fill out the entry form and mail both to SunnyD®.
